```

The following is the pinout for Zetaco's external cable for the LPC-3 going to a Centronics connector:

| 50 Pin | Centronics | 50 Pin | Centronics |
|--------|------------|--------|------------|
| 7      | 20         | 27     | 29         |
| 8      | 2          | 28     | 10         |
| 9      | 21         | 33     | 27         |
| 10     | 3          | 34     | 8          |
| 11     | 22         | 37     | 28         |
| 12     | 4          | 38     | 9          |
| 17     | 23         | 41     | 20         |
| 18     | 5          | 42     | 1          |
| 19     | 24         | 45     | 31         |
| 20     | 6          | 46     | 13         |
| 21     | 25         |        |            |
| 22     | 7          |        |            |
