## News For The Employees of Data General

---

September 16, 1988

### Today's The Day

Today, September 16, is the day of the semi-annual Dasher road race. The 11-mile bicycle time trial race will begin at 5:20 p.m. The 3-mile and the 10K foot races will begin at 5:30 p.m. A map of the races is included in this issue of Mini News. At 5:05 p.m. all outgoing traffic will be diverted through the 2400 Computer Drive access road. At the start of the races, all vehicles will be asked to stop until the racers have passed.

### Hill Named Director Of Applications Business Unit

Stephen Hill has joined Data General as director of the Applications Business Unit. Steve reports to Michael Schneider, vice president of the Customer Service Division. Steve will oversee the development and introduction of Data General- and VAR-developed software solutions geared for the architectural, engineering and construction (AEC), and geographic information systems markets.

Steve most recently was vice president of marketing and sales for GEOVISION in Ottawa, Canada, a manufacturer of geographic information systems. While there, he focussed on North American business. Prior to that, Steve was president of Epitek Electronics, a microelectronics manufacturer, and served as executive vice president of Betz Laboratories, a specialty chemical manufacturer. Both firms are located in Canada.

Reporting to Steve are Gary Lantaff, Industry Marketing manager, and Roy Sanford, Business Planning manager.

Steve holds a bachelor's degree in mathematics and chemistry from Baker University in Kansas.

### PSAT Dates For Data General Scholarships

If you work at least 30 regularly scheduled hours per week and have a child who will be graduating from high school in 1990, now is the time to consider applying for a Data General Scholarship. The scholarship program is a Data General benefit established for children of Data General employees and is administered by the National Merit Scholarship Corporation. Ten scholarships are awarded each year. The stipend of each scholarship ranges from \$500 to \$2,000 per year for up to four years, or until a bachelor's degree requirements are completed, whichever comes first.

Students applying for a Data General scholarship must take the PSAT (Preliminary Scholastic Aptitude Test) during their junior year in high school. This year the test will be administered in high schools throughout the country on October 15 or October 18. Interested students should contact their guidance counselors as soon as possible to register for the PSAT.

Keep in mind that application for a Data General scholarship must be made during the student's JUNIOR year in high school. Therefore, even students who are currently undecided as to whether or not they want to attend college should be encouraged to take the PSAT in October.

Applications for the Data General Scholarship program are available from the Benefits and Human Resources departments. A letter will be sent to all applicants at the end of December to let them know their entry form was received.

Questions regarding the program should be directed to Kathy Pardee at extension 4551 in Westboro.

### NADGUG: Where Great Ideas Begin

For attendees of the 1988 North American Data General Users Group (NADGUG), Philadelphia certainly proved to be the place "Where Great Ideas Begin."

More than 1200 people participated in Conference '88, making this year's event the largest ever NADGUG gathering. Presenters, exhibitors, independent software vendors (ISV) and value-added resellers (VAR) came from as far away as Canada, France, the United Kingdom, Holland, Belgium, Finland, Sweden and Australia to participate in the conference.

The conference's theme, Communications and Networking, was kicked off by Joe Forgione, director of Distributed Systems and Communications, who gave the communications strategy overview. The theme was carried throughout the sessions in topics such as network planning, designing, installation and management, PC access to information in a multi-vendor network and Data General's wide area intelligent network strategy. These sessions were reinforced by hands-on demonstrations in an exhibit area, where the Data General's Network Services division designed a network that tied together the entire Data General booth and 25 ISVs and VARs, as well.

Another conference highlight included an Executive Panel Discussion between the NADGUG Executive Advisory Board and Data General senior managers.

## The Eagle Lands In The East

*The Eagle Award, given out by the Solutions Recruitment and Development Division in Westboro, recognizes personal excellence.*

Preston Lawhorne, Eastern Operations Marketing manager, recently was presented with the first "Eagle Award," given out by the Solutions Recruitment and Development Division (SRD) to employees who demonstrate excellence. Preston received the award during the VAR Development Sales representative class held in Westboro last month.

Tom Cappelli, SRD manager, presented the award to Preston, recognizing his dedication and involvement in the implementation of a number of VAR recruitment development programs. Preston was a member of the task force which outlined the VAR development class and presented segments of the course. Rick Boyink, director of SRD, recognizes the importance of Preston's continuing contributions. "For any program to

be successful, it must have the 'buy-in' of all parties. Preston has been instrumental to the SRD division's efforts to implement VAR programs in the east. He has an excellent sales background and knowledge of the VAR marketplace."

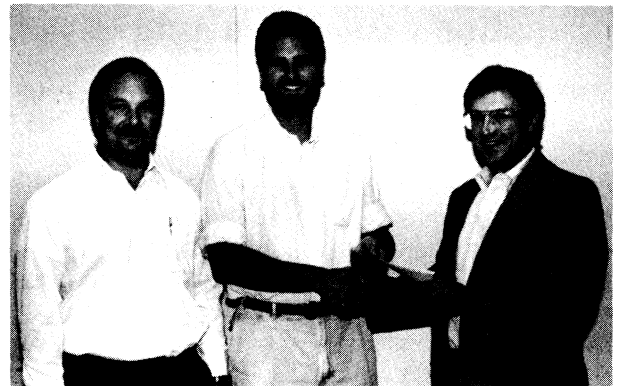

## Fire Alarms Will Sound This Weekend

This Sunday, September 18, the fire alarms and sprinkler systems will be tested in buildings at 3400 and 4400 Computer Drive at Data General-Westboro from 7:00 a.m. to 2:00 p.m.

## Share Your Good Health

The need for blood today is critical. You can make a difference. The Milford Blood Drive will be held on Monday, October 3, from 11:00 a.m. to 4:00 p.m. An American Red Cross representative will be available in the cafeteria for registration on Wednesday, September 28 and Friday, September 30 from 11:25 a.m. to 1:15 p.m.

### Michael Pavlov Receives Director's Award

*Mike Pavlov, a senior engineer in Corporate Diagnostic Engineering, (center) receives congratulations from Ed Fortini (right), director of Engineering Technology, and Bob Buchheister, manager of Advanced Diagnostic Systems.*

*The development of the system has presented many new challenges for the department. Mike met these challenges by creating a well-planned design that could be transferred to any major operating system, including AOS/VS and UNIX. He also helped establish strong inter-departmental relationships and design acceptance among the operating system and diagnostic groups. Mike continually assumed a leadership role with an outstanding dedication to formal software principles and system design specifications.*

## Employee Conference Center: Need A Room?

The Employee Conference Center (ECC), located at Rail Stop A-227 in Westboro, is available for employee meetings. However, rooms must be reserved ahead of time to avoid confusion. Please note the following guidelines when reserving or using the Employee Conference Center:

- Room reservation forms may be obtained by calling 228-4660 in Westboro.
- Completed room reservation forms should be sent to Susan Davolio via CEO at host system IMG010.
- No receptionist is available in this area. Employees are responsible for letting people know where they can be reached.
- No equipment or furniture is to be removed from any ECC room. Do not take furniture from other rooms as it is needed for other meetings. If you need assistance, call extension 4660 and someone will assist you.
- Try to arrange for equipment when you reserve the room in order to save time and avoid confusion.
- Paper, markers and other writing utensils are not supplied.
- There are telephones in most rooms. The extensions are:

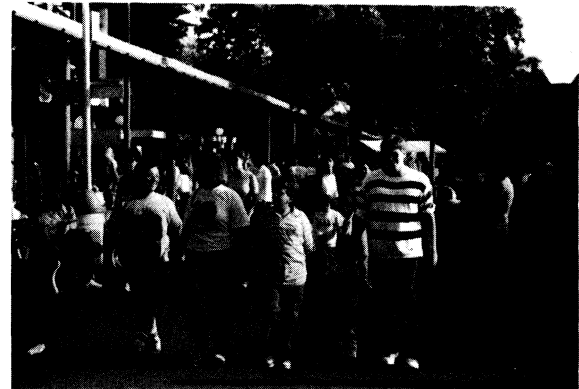

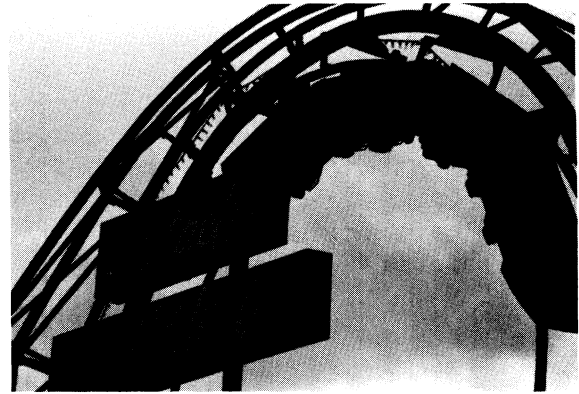

Room #	Extension
1	4667
2	4668
3	4664
4	4661
5	4663
6	None
7	4675
8	None
9	None
CEO A	None
CEO B	None

- Please leave rooms presentable.

### Can You Be Humored?

You bet you can! The Data General Toastmasters Club will be holding its annual Humorous Speech Contest on three consecutive Wednesdays in September and October. The preliminary rounds will be held at the noon meetings on Wednesday, September 21, and Wednesday, September 28. The Club "Finals" will be held Wednesday, October 5. Come hear some of the club's newest and funniest speakers. Guests are always welcome at Toastmaster's meetings. For more information contact Teresa Forster at extension 6739 or via CEO at TAF:ABACUS.

### Data General Invades Riverside Park

More than 3,000 Data General employees, their friends and families attended the sixth and final Data General summer outing held last Sunday at Riverside Park in Agawam, Massachusetts. The highlights of the day were the park's two most popular attractions; the Cyclone and the Black Widow. By the time the day ended employees and their families seemed to be evenly divided between those who took the dare and those who kept their feet firmly planted on the ground.

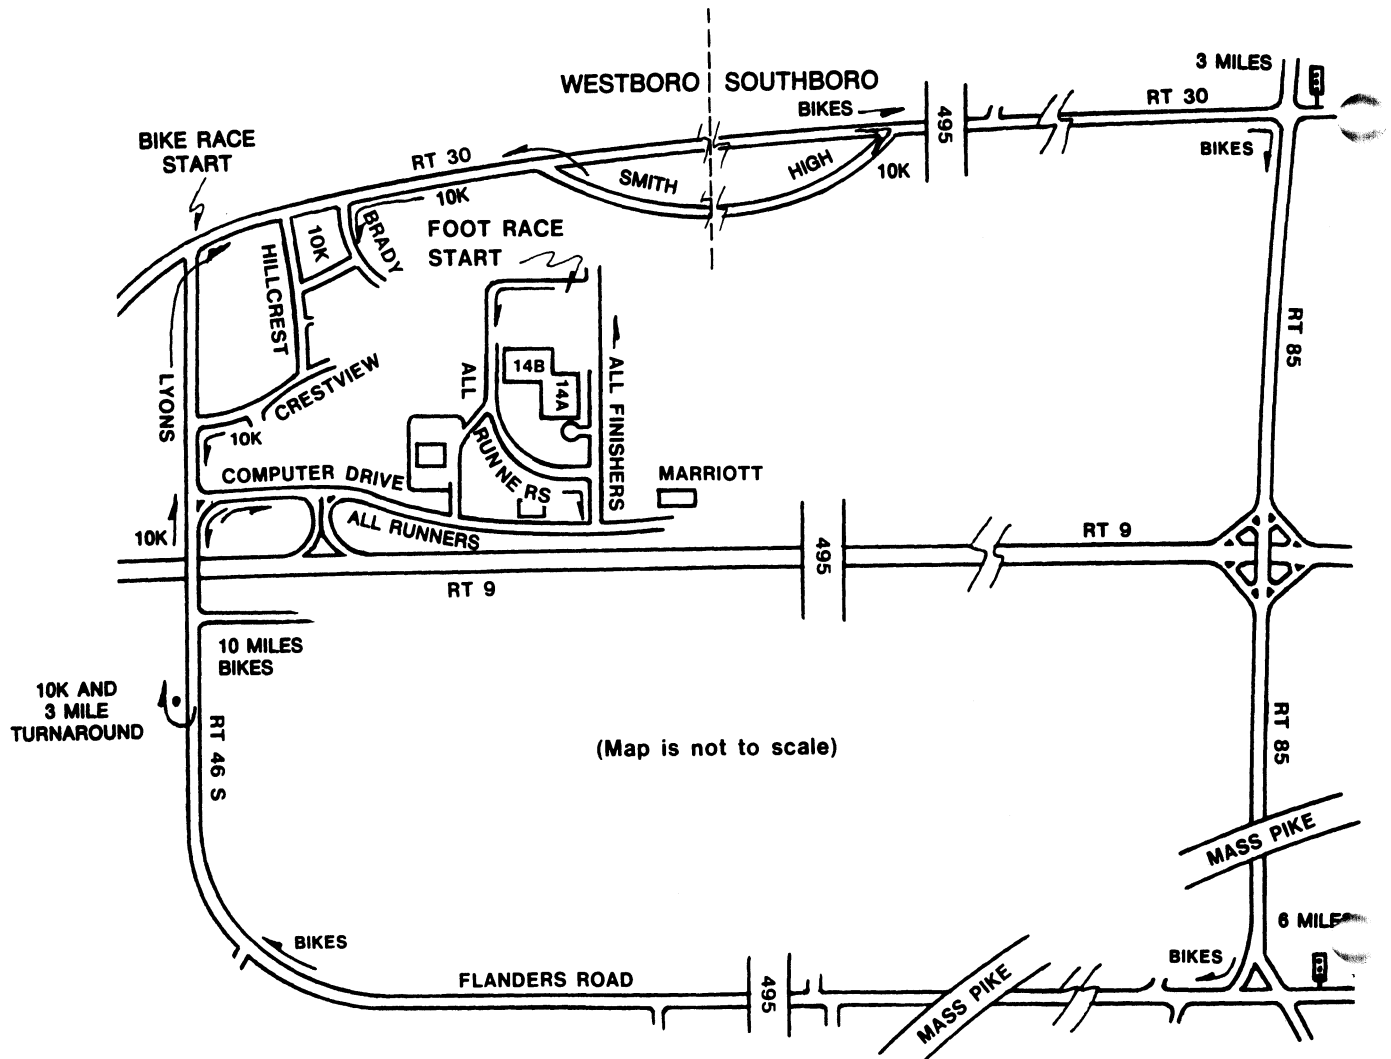

## Activities

### Dasher Road Races Have Arrived

The Dasher races will be held today. The foot races will begin at 5:30 p.m. at the usual starting line at the rear of Building 14A in the east corner of the north parking lot. All bicycle race entrants will gather at the old start at the back of Building 14A at 5:05 p.m. and ride as a group to the new start on Lyons Street.

### Here Are The Race Routes

**3-mile foot race:** Start in the rear north parking lot and head off behind Buildings 14A and 14B, past the access road to 2400 Computer Drive, out the main driveway onto Computer Drive. At the end of Computer Drive, turn left (staying outside the traffic island and always on the right side of the road) and cross the bridge over Rt 9. Run down the hill to the turn-around point - there will be a course marshall standing there to show you where to turn. Go back up the hill, turn right onto Computer Drive, run up Computer Drive and turn left into the main Data General entrance. Run straight back to the rear of Building 14A, and finish where the race began.

**10K foot race:** Follow the 3-mile route to the turn-around and turn around. Go back up the hill to the intersection at the end of Computer Drive (up until this point the course is identical to the 3-mile course).

At the intersection continue straight ahead bypassing the Jersey barrier on Lyons St. around the right end. Continue down Lyons St and turn right on Rt 30 at the end. Go east for 1-1/4 miles on Rt 30, then take a sharp right onto High St. Follow High St up over the hill and back down to Rt 30. Turn left and follow Rt 30 for 1/4 mile and turn left onto Brady St. Go 1/10 mile and bear right, and after another 1/10 mile turn left onto Hillcrest. Go UP the HILL and turn right on Crestview. Go 2/10 mile to the end of Crestview and turn left onto Lyons. Go past the Jersey barriers again and turn left on Computer Drive. Run the length of Computer Drive and turn left into the 4400 Computer Drive driveway. Continue straight to the finish line behind the building where you started.

**11-mile bicycle race:** The start will be at the intersection of Lyons Street and Rt 30, NOT at the back of Building 14A. From the start the route is the same as the old road course. Go east on Rt 30 3 miles to the traffic light at the intersection of Rt 85. Turn right and follow Rt 85 for 3 miles to Southville Rd. Turn right on "short cut" 100 yards before the traffic light at Southville Rd. Go west 4 miles on Southville/Flanders Rd. and up the hill over Rt 9 on the connector road. Turn right onto Computer Drive, go up the hill and turn left into the 4400 Computer Drive entrance. Ride to the regular finish line at the back of Building 14A.

### **Wallyball Season Approaching**

The Data General Wallyball season is rapidly approaching. The season starts in mid-October. Wallyball, (volleyball played on a raquetball court using a nerf ball), is held on Tuesday and Thursday nights at the Shrewsbury Raquetball Club.

Anyone interested in playing in this year's league should submit their team name and captain's name to Jim Galvin via CEO on host system SOBO09. This information must be received by September 26. All entries received after September 26 will be placed on the waiting list. For more information, contact Jim at extension 8107 in Southboro.

### **Data General Ultimate Frisbee Champs**

Data General beat Raytheon, 17-10, to win the Division I ultimate frisbee championship in the Boston Area Corporate Ultimate League (BACUL). Finishing the regular season with a 19-1-1 record, the Data General Dragons beat such teams as Digital Equipment, Wang and Prime along the way. The 36 teams in the league met at a tournament to decide the overall championship. Data General went to the quarter-finals after posting a 3-0 record in the preliminary round. Victories over Decision Software and Teradyne in the

quarter and semifinals led the Dragons into the final game against Raytheon, the defending champs. The Dragons' championship trophy will be on display in the cafeteria at 4400 Computer Drive in Westboro.

*Pictured above are members of the Dragons, Data General's ultimate frisbee championship team. In the front row, (from left to right) are: Russ Hardy, Dave Frary, Greg Carter, Kevin Barrett, Andy Hettinger, Joe Kidder, Tom Arns and Jose Huyke. In the second row (from left to right) are: Rich Reeves, Mike Dunbar, Brian Tsao, Alec Daniel, Nate Berry, John Chernoch, Doug Wood and Luc Poulin. In the back row, (from left to right) are: Shawn O'Reilly, Scott Smith and Stu Warnsman. The following players were not available at the time the photograph was taken: Frank Buhrmann, Joe Gugliemino, Andy Limeri, Doug Peeke, Glen Rich, Peter Shoults, Sue Spielman and Cindy Starks.*

### **Softball Season Comes To A Close**

The Data General Softball League season came to a close last Friday night at Knights of Columbus field in Ashland. In the Recreational League, the Fun Hogs emerged victorious over the Misfits, by a score of 13-5. After the game, the Fun Hogs were presented with the 1988 Recreational League Championship trophy.

In the Semi-Competitive League, the Survivors beat the Bill Busters, 9-2. The Survivors now reign as the 1988 Semi-Competitive champions. Look for final softball action and championship team photographs in next week's issue of *Mini News*.

### **Holiday Outlet Shopping Trip**

Do your holiday shopping on Saturday, November 5 at outlet stores in southeastern Massachusetts and save big money. A bus provided by Data General will leave Westboro early enough to be in North Dartmouth when doors open at 9:00 a.m. After a stop for lunch, the bus will leave for Fall River for afternoon shopping. The cost of the trip is \$25, which includes lunch. Send checks to the Data General Activities Committee at Mail Stop C-128 in Westboro by October 10. Please get your requests in early in order to reserve the bus. For more information, contact Dot McGrath at extension 6370 or Elaine Rocheford at extension 4512.

## MARKETPLACE

### CLASSIFIED ADVERTISEMENTS

Send advertisements for Mini News via CEO to MINI:IMG010. All ads must be submitted by 10:00 a.m. on Tuesdays in order to be included in that week's issue.
